Architecture of First Societies | Designers & Books

Learn about humanity's rich architectural history on this journey around the globe - from 100,000 BCE to ca. 1,600 CE. How do we understand architecture? One way of answering this question is by looking through the lens of history, beginning with First Societies and extending to the 16th century. This course in architectural history is not intended as a linear narrative, but rather aims to ...

Eclass: A Global History of Architecture, Mark Jarzombek, MITx

A Chronology of Architecture is a groundbreaking survey that examines—together—engineering and architectural accomplishments. Sites are arranged within a sociocultural timeline that examines them in terms of historic events and trends, social change, economic developments, and technological innovations—factors that all helped shape architecture and engineering design solutions over ...
