From his name, address and occupation, one might not suppose there was anything terribly interesting about Mr Joseph Archibald Skeet, Automobile Engineer and Specialist of 54 Corporation Road, Leicester. But Mr Skeet was a Sénéchal owner, and that's very interesting indeed. Even the name alone is exciting — a Sénéchal sounds like some sort of African wildcat, lithe and graceful but ...

After the picture of the Rolls-Royce Phantom camera car that we published in our online magazine last week, we would now like to show you these images. The first one is of a Bugatti (Type 43?) with camera equipment mounted on the front of the car. The driver, both actor and cameraman, takes his own shots. These pictures were pointed out to us by a reader and originate from a 1934 Citroen Almanac.

The gear from the Case magneto and the Bendix impulsed coupled magneto are not interchangeable. The Case gear was riveted to the coupling and the offset is different than the Bendix. The net result is that the dimensional stack up is different between the two mags. The direct drive gear from the non-impulsed Bendix SF series and Case mags are ...
