The rocking-chairs and sofas were not present, and never had been, but they were represented by two three-legged stools, a pine-board bench four feet long, and two empty candle-boxes. The table was a greasy board on stilts, and the table-cloth and napkins had not come—and they were not looking for them, either.

The British men in the business of colonizing the North American continent were so sure they "owned whatever land they land on" (yes, that's from Pocahontas), they established new colonies by simply drawing lines on a map. Then, everyone living in the now-claimed territory, became a part of an English colony. A map of the British
