Chinese Atv Repair

China ATV repair can be a very daunting task for people. When approaching a dealer for "the big three" Japanese brands, you'll likely get a resounding "NO, we don't work on those"! Most people will call the guy that sold them the ATV and if they are lucky, they get a replacement part! That won't do you much good if you can't diagnose the problem.

Chinese ATV Repair & Service - Home | Facebook

Many "dealers" of Chinese quads had never done repair work on an ATV before and didn't know a spark plug from a cylinder! Another problem was that alot of people sought out to purchase the ATVs straight from a manufacturer. The problem is that a manufacturer usually assumes that there will be some dealer prep before the end user gets it.
