The first flash mobs were created in Manhattan in 2003, by Bill Wasik, senior editor of Harper's Magazine. The first attempt was unsuccessful after the targeted retail store was tipped off about the plan for people to gather. Wasik avoided such problems during the first successful flash mob, which occurred on June 17, 2003 at Macy's department store, by sending participants to preliminary ...

First produced in 1989, the GRIDPad included a monochromatic capacitance touch screen and a wired stylus. It weighed just under 5 pounds (2.26 kilograms). Compared to today's tablets, the GRIDPad was bulky and heavy, with a short battery life of only three hours. The man behind the GRIDPad was Jeff Hawkins, who later founded Palm.
