## **Sally Hogshead | Keynote Speaker**

Sally Hogshead book "Fascinate" is the closest that anyone had reached so far towards making Fascination a science after a long history of it being perceived a kind of Mystery and at best an Art. I believe that for the foreseeable future, Fascination will remain an Art, but Sally Hogshead removed the mystery out of it and put it on a solid path of becoming a science.

## **Fascinate: How to Make Your Brand Impossible to Resist by ...**

Quotes by Sally Hogshead "When you stop trying to be all things to all people, you can stop worrying about being liked and start building relationships that allow you to be loved. If you are not creating a negative response from somebody, you're probably not very fascinating to anybody."

## **Sally Hogshead (Author of Fascinate)**

Hogshead commissioned the study in 2007 to Kelton Global. The study found that there are seven ways in which a person's brain can be captivated. Initially the research was applied to show how different brands captured audiences attention. Hogshead applied this research in the 2009 book *Fascinate*. The book applied the research from the study and introduced the concept "triggers," which are different ways brands get attention.
