In many respects, Dragon Ball Z is just a continuation of Dragon Ball. The first episode aired one week after its predecessor's last, and DBZ 's introductory episode was even scripted as a Dragon Ball episode—not Dragon Ball Z episode 1. Still, the opportunity to rebrand helped pump lifeblood into the anime's staff, budget, and popularity.

Winged Dragon - The fact that this dragon has wings is somewhat strange considering that most Chinese dragons are wingless. It is, however, a very significant type of dragon. It symbolizes rain and at times, floods. Celestial Dragon - This dragon resides in the sky, where it protects the celestial gods from falling to earth.
