Home - Person Centered Expressive Arts

Our approach is based mainly on Natalie Rogers' person centred expressive arts model, which she named the Creative Connection. I am intrigued by what I call the creative connection, the enhancing interplay among movement, art, writing, and sound (Natalie Rogers). The emphasis is on the expressive process rather than the aesthetic outcome and rests on the deep belief that we are all artists ...

...

The expressive arts—including movement, art, writing, sound, music, meditation, and imagery—lead us into the unconscious. This often allows us to express previously unknown facets of ourselves, thus bringing to light new information and awareness. Art modes interrelate in what I call the creative connection.
