The Essentials Of Theory U

Theory U is a change management method and the title of a book by Otto Scharmer. Scharmer with colleagues at MIT conducted 150 interviews with entrepreneurs and innovators in science, business, and society and then extended the basic principles into a theory of learning and management, which he calls Theory U. The principles of Theory U are suggested to help political leaders, civil servants ...

Constructive Theory, Declarative Theory. Constructive Theory of Recognition. This theory is coined by Hegel and Oppenheim. According to this theory, the State is considered as an international person. This theory views that after the recognition a State gets its status of an International person and becomes a subject to International Law.

Otto Scharmer

Contract theory is the study of how individuals and businesses construct and develop legal agreements, drawing on economic behavior and social science to understand behaviors.

Contract Theory Definition

Importance of traumatic events. In its initial DSM-III formulation, a traumatic event was conceptualized as a catastrophic stressor that was outside the range of usual human experience. The framers of the original PTSD diagnosis had in mind events such as war, torture, rape, the Nazi Holocaust, the atomic bombings of Hiroshima and Nagasaki, natural disasters (such as earthquakes, hurricanes ...

While conflict theory originated from the work of Karl Marx (1818–1883), there is not a singular conflict theory but rather conflict theories. Conflict theory attempts to explain class conflict. The basic assumption of conflict theory is an individual or group will dominate others and actively avoid being dominated.
