The anti-gender movement is an international movement which opposes what it refers to as gender ideology, gender theory, or genderism. These concepts do not have a coherent definition and cover a variety of issues; gender ideology has been described as an "empty signifier" or catch-all term "for all that conservative Catholics despise". The idea of gender ideology has been described by ...

In the books of this genre, canons and patterns do not belong. Readers expect unexpected solutions from them. The main thing in the mainstream is the moral development of the characters, philosophy and ideology. Because the author of the mainstream should not only be an excellent storyteller, but also a good psychologist and serious thinker.

Like religion, ideology relies on faith, thus even when its morals seem illogical, men like Barbie could circumvent ethical dilemmas through their faith in the Nazi ideology. Thus, it was the combination of the ideology and the Third Reich's administrative machine that caused the Holocaust to happen, not political drive.

From the very beginning of the novella, Napoleon emerges as an utterly corrupt opportunist. Though always present at the early meetings of the new state, Napoleon never makes a single contribution to the revolution—not to the formulation of its ideology, not to the bloody struggle that it necessitates, not to the new society's initial attempts to establish itself.
