### The Tango Lesson

The Tango Lesson, while very different from any of her earlier works, seems to be a really personal, even autobiographical film. It's about a middle-aged British filmmaker named Sally Potter. More recent productions have abandoned prudery towards women's bodies and moved to "the other side" of visual pleasure.

### The Tango Lesson (1997) - IMDb

The Tango Lesson is about a woman who becomes fascinated with learning the Tango...in Paris and Buenos Aires. And she finds the perfect teachers. I never realized that there is so much to the Tango...it's much more than you typically see.
