Eric Barone (aka ConcernedApe) says that combat in his new game, Haunted Chocolatier, is being made from scratch - as opposed to being directly copied from Stardew Valley. "Haunted Chocolatier has a greater focus on combat, so it needs to be very fun, satisfying, and engaging, while also appropriately fitting into the big picture," says Barone ...

A game project is a project that features user interaction (gameplay). They have always been one of the most popular types of projects on the Scratch Website, thus causing the word "game" to be one of the most commonly used tags.. While most game projects are original, some of them are emulations and parodies of popular video games (such as Super Mario Bros, Pac-Man, and Pong).

Trivia. Nicholas Scratch's name has similarities to two traditional English names for the devil: "Old Nick" and "Mr./Old Scratch". In the tie-in novel "Daughter of Chaos (The Chilling Adventures of Sabrina, Book 2)", Harvey brings up the connotation, asking Nick if that meant he really was the devil.Nick explained that it was common practice for witches such as himself to be given Infernal ...

Sea salt is the product that remains from evaporating the salt water. Plan ahead for the evaporation to take at least a few days, and often several weeks. For home sea salt making, one of several techniques can be employed. Turn your oven to its lowest setting. Pour the water into a high-sided container and place it in the oven.

Try to press hard enough to prevent any bubbles from forming under the skin (though a few small ones here and there are inevitable, especially when you're first starting out). Alternatively, you can make a full loop with your thumb and forefinger to make bocconcini—the small, egg-sized mozzarella balls are a little more manageable for beginners.
